Chroma Customer Checklist

1. Get your project on my calendar!
2. Gather your articles you want in your project. **Do Not** cut anything yet. You can go through and put a piece of blue tape on graphics you don't want included in your project.
3. Create a payment plan so when you quilt is complete so are your payments!
4. We will communicate options when it is closer to your project start date. We've got you covered . . . literally!!
